**(Cancellation of Previously Disclosed Matters)**  
**Notice Regarding Cancellation of Transfer of Equity Interests in a Consolidated Subsidiary**  
**(Change in a Sub-Subsidiary)**

Topy Industries, Ltd. (“the Company”) hereby announces that it has decided to cancel the transfer of all equity interests in Ring-Techs Guangzhou Co., Ltd. (“Ring-Techs Guangzhou”), a wholly owned subsidiary of RING TECHS Inc., a consolidated subsidiary of the Company, which was previously announced in the “Notice Regarding Transfer of Equity Interest in a Consolidated Subsidiary (Change in a Sub-Subsidiary)” dated November 5, 2025. The details are as follows.

1. Reason for the Cancellation

Under the Medium-term Management Plan “TOPY Active & Challenge 2027,” the Group is advancing its initiatives to improve profitability through structural reform of existing businesses. As part of these efforts, the Group had been preparing to transfer all equity interests in Ring-Techs Guangzhou to a domestic Chinese company in response to production downsizing caused by the declining market share of Japanese automobile manufacturers in China. However, as the transferee breached its contractual obligations, the Group has decided to cancel the contract.

2. Outlook

The impact of this matter on the Company’s consolidated financial performance is expected to be minor. However, should any matters requiring disclosure arise in the future, we will promptly make an announcement.

The Group will continue to advance initiatives to improve profitability through structural reform of existing businesses and will further promote the restructuring of its steel wheel business in China.
